

RDNZ RTC Membership

Membership Benefits and Requirements

Participation in two Round Table of Companies' meetings per year offering a forum to support a long-term relationship between Rare Disorders NZ and those companies operating within the health sector with an interest in rare disorder treatments, medical devices and services. Each company can nominate up to two representatives to join the RTC meetings. These representatives must be nominated ahead of time by each company and will need to sign the MOU form and stipulate their role within the organisation they represent, they should hold roles within the company that suitably reflect the RTC meeting interests; Company patient advocacy - Market access for treatments and reimbursement - Government relations.
